

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Santa Barbara County Parks
Applicant's Agent	Coleen Lund
Project Name	Lake Cachuma Boat Ramp Modifications
Receiving Water	Lake Cachuma
City/County	Santa Barbara County
Public Notice	5/18/07-6/7/07
Project Description	The purpose of this project is to extend the existing high water launching ramp to allow launching at water elevations of 753 feet down to 730 feet.

The project activities include: install approximately 18,400 cubic yards of fill underwater, and cover the lower half of the ramp with approximately 1,460 to 9,100 square feet of precast concrete panels.

Mitigations will include: dispose all trash and debris on a daily basis; check construction equipment on a regular basis for potential leaks; and use of silt curtains.

A Negative Declaration was prepared by Santa Barbara County Parks.
